

WCCD | WORLD COUNCIL
ON CITY DATA

170 Bloor Street W, Suite 1100 | Toronto, Canada M5S 1T9 | T +1.416.966.2368

October 6, 2016

Dear Robertina,

We are pleased to inform you that the City of Koprivnica has been awarded WCCD Platinum Certification based on the recommendation by the ISO 37120 verifiers who reviewed your submission and will be registered in the WCCD Global Cities Registry™ for ISO 37120 for 2016.

WCCD Certification Level Achieved: Platinum

ISO 37120

WORLD COUNCIL
ON CITY DATA

Congratulations on successfully completing the City of Koprivnica's ISO 37120 report for 2016. Your certification is valid for one year. To maintain your status in the WCCD Global Cities Registry™ for ISO 37120, please report annually. We look forward to your submission for 2017.

You will find a copy of the full verification report appended to this letter (Appendix A). Note that the verification of reported data was completed in compliance with the requirements of ISO 37120 and in accordance with the WCCD certification process. Please contact us if you have any questions or concerns.

It is only through the commitment and leadership of cities like Koprivnica that we can continue building a global network of sustainable, smart and prosperous cities.

Sincerely,

Dr. Patricia McCarney
President and CEO

Re: Verification Report for City of Koprivnica, Koprivnica-Križevci County, Croatia (2016)

Summary

Certification Level	Core Indicators Required	Supporting Indicators Required
<input type="checkbox"/> Aspirational	30	0
<input type="checkbox"/> Bronze	46	0 – 13
<input type="checkbox"/> Silver	46	14 – 29
<input type="checkbox"/> Gold	46	30 – 44
<input checked="" type="checkbox"/> Platinum	46	45 – 54

	Available	Reported	Verified
Core Indicators	46	46	46
Supporting Indicators	54	48	48

Verification Report

Of the 100 indicators defined in ISO 37120, Koprivnica reported:

- 46 core indicators; and
- 48 supporting indicators.

Of the 94 indicators reported by Koprivnica:

- 46 core indicators were reported in conformity with ISO 37120; and
- 48 supporting indicators were reported in conformity with ISO 37120.

Koprivnica has therefore reported indicators in conformity with ISO 37120 at the Platinum level of certification.

Recommendation

I, Chris Caners, recommend that the WCCD:

- Register Koprivnica in the WCCD Global Cities Registry™ for ISO 37120 at the Platinum level;
- Issue a Certificate of Registration to Koprivnica; and
- Display Koprivnica's verified indicators on the WCCD Open City Data Portal.

Verifier's Statement

I, Chris Caners, confirm that:

- I have reviewed the information and data reported by Koprivnica;
- Verified indicators (see Appendix A) have been reported in conformity with the requirements established in ISO 37120;
- All required actions identified during the verification process have been satisfactorily addressed by the city, reviewed, and closed.
